## Free Legal Services Available To Disaster Survivors

**BATON ROUGE, La.** – Free disaster-related legal advice is available to low-income Louisiana flood survivors through a partnership among the Louisiana State Bar Association, the Louisiana Civil Justice Center, the American Bar Association Young Lawyers Division and the Federal Emergency Management Agency (FEMA).

Low-income survivors facing legal issues may call the Legal Services hotline, 800-310-7029, between 9 a.m. and 4 p.m., Monday through Friday. Voice mail is available 24/7 and messages are generally returned the next business day. Examples of legal assistance available include:

- Assistance with securing FEMA and other benefits available to disaster survivors;
- Assistance with life, medical and property insurance claims;
- Help with home repair contracts and contractors;
- Replacement of wills and other important legal documents that were destroyed;
- Assisting in consumer protection matters, remedies and procedures;
- Counseling on mortgage-foreclosure problems; and
- Counseling on landlord/tenant problems.

Survivors should be aware that there are some limitations. For example, assistance is not available for cases where fees could be paid as part of a court settlement. Those cases will be referred to a lawyer-referral service.

To register with FEMA, go online to [DisasterAssistance.gov](http://DisasterAssistance.gov), call the FEMA helpline, 800-621-3362 or download the FEMA mobile app. Help is available in most languages and phone lines are open 6 a.m. to 10 p.m. seven days a week until further notice.

Disaster survivors who are deaf, hard-of-hearing or have a speech disability and use a TTY may call 800-462-7585 to register. Those who use 711 or Video Relay Service or require accommodations while visiting a Disaster Recovery Center may call 800-621-3362. All Disaster Recovery Centers are accessible and equipped with tools to accommodate disaster survivors who need disability-related communication aids. Each Disaster Recovery Center has assistive technologies for people with disabilities. To arrange to have an American Sign Language interpreter at the Disaster Recovery Center when you visit, call 225-382-1739.
